As the Student:
1. I am responsible to respect tutors during sessions by obeying the tutor. Students will be warned by the tutor if their conduct or comments are inappropriate and may terminate the session if behavior continues.
2. As we expand our reach to a global K-12 student population, Biola Youth Academics desires to continue to align with Biola University’s policies and to empower parents worldwide. Our modesty standard is focused upon upholding core values (academic excellence, spiritual growth, integrity, parental involvement, individualized education, and community), and our specific interest is to create an environment that promotes a Christ-centered community and a Christian witness to the world. We acknowledge modesty runs deeper than a dress standard and begins with remaining pure in mind and heart regardless of the way another is dressed.
3. Biola Youth Academics aligns with Biola University’s Modesty Policy. Students are to maintain neat and modest dress and hair that will not attract undue attention to themselves. These modesty standards are not all-inclusive; we are mainly concerned with the underlying principles of modesty and respect. Any specific situation not addressed in this document will be resolved by the administration in accordance with the general intent and purpose of these modesty standards and the mission of BYA. Standards of modesty are applicable to students, faculty, and staff.
   Regardless of intent, the following items may be perceived as immodest and therefore inappropriate on campus or at BYA sponsored events: spaghetti strap, strapless, halter, backless, midriff exposing, or low-cut shirts or dresses; visible undergarments; and tights or leggings not paired with a dress, skirt, or shorts. Shorts, dresses, and skirts must extend to at least mid-thigh. Attire with messages not in line with Christian principles is not acceptable. Shoes are required, and shirts must be worn at all times, except at the Biola pool.
4. I am responsible to not bring electronic equipment to the facility including but not limited to audio devices such as CD and mp3 players, gaming devices, digital cameras, electronic books, and laptop computers. All cell phone use is prohibited without tutor consent; cell phones must be OFF (not on vibrate) and put away while the students are on-location.
5. I am responsible to be under the direct supervision of an adult at all times and it is the student’s responsibility to be in an area that is appropriately supervised. Students are not allowed to roam the facility.
6. I understand that all weapons (including knives), illegal drugs, alcohol, and tobacco products are strictly prohibited. I have read and understand the foregoing provisions and agree to abide by the terms thereof.
